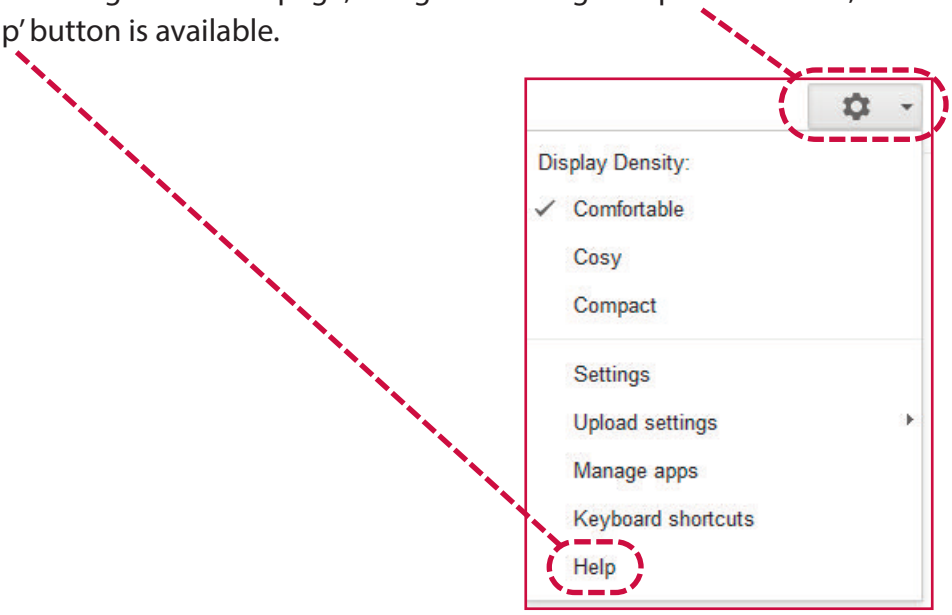
University of South Wales
Prifysgol De Cymru

INFORMATION
Where To Save Your Work

Application	Google Drive (5gb storage)
Prerequisites	**Software**: Web browser compatible with Glamlife (ie: Internet Explorer, Firefox, Safari, Chrome)
How to request	Googledrive has been intergrated within' your Glamlife homepage, no requests need to be made.
Where to get help	On the Googledrive webpage, using the 'Settings' drop-down menu, a 'Help' button is available.



Alternatively, some faculties offer network space, please see your lecturer for further details.

IMPORTANT

On most University PC's, your work is deleted from your desktop, and document areas when you log out, please ensure you save your work to a suitable storage medium prior to logging out.
