Where To Save Your Work

Information

## Application

Google Drive (5gb storage)

## Description

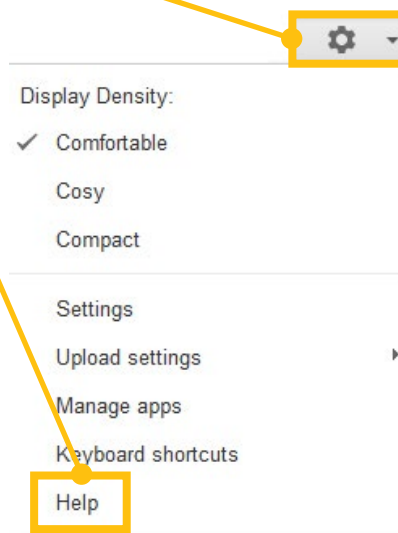

Software: Web browser compatible with  
Glamlife (ie: Internet Explorer, Firefox,  
Safari, Chrome)

## How to request

Googledrive has been intergrated within'  
your Unilife homepage (<https://unilife.southwales.ac.uk>, no requests need  
to be made.

## Where to get help

On the Googledrive webpage, using the  
'Settings' drop-down menu, a 'Help' button  
is available.

Alternatively, some faculties offer network  
space, please see your lecturer for further  
details.

## Important

On most  
University PC's,  
your work is  
deleted from  
your desktop, and  
document areas  
when you log out,  
please ensure you  
save your work to  
a suitable storage  
medium prior to  
logging out.
